

Text Book and Stationery Requirements 2022

Stationery

Stationery		
Basic Requirements	2 pens – blue or black 1 pen – red 2 pencils – HB and 2B 1 eraser 1 ruler 1 8GB USB memory stick	1 A4 exercise book OR a ring-binder folder (with loose leaf refills) for each subject Display folder A4 Writing pad Highlighter pens Plastic sheet protectors
Additional Requirements	Some subjects may require additional materials. The subject teacher will advise you of these requirements when your class commences, e.g. an apron, a calculator, a manuscript book, a graph pad, coloured pencils etc.	

Textbooks and stationery can be purchased through any shop of your choice.

CALCULATORS: PLEASE NOTE

General Mathematics 3, Maths Methods Foundation 3 and Maths Methods 4

A Casio Classpad FX CP400 calculator is required for these courses, given that the textbooks refer to this instrument. Students can hire one from the College Library for \$60 per annum or may decide to purchase their own. These can be purchased at College for approximately \$240 or from any Officeworks store.

General Mathematics Foundation 2

Students in General Mathematics Foundation will require a graphics calculator. These are available from the Library, but they will be stored in the classroom.

Physical Sciences 3

A scientific calculator is required for these courses as it is used in class and will be required for homework as well as the mid-year and final exams. The standard high school scientific calculator is sufficient.

Scientific Calculator

This refers to any scientific calculator a student may already own (from High School or an older sibling). If you do not own such a calculator, it is recommended that students purchase a Casio FX82AU Plus Scientific Calculator.

TEXTBOOKS:

Some courses require specific textbooks which are listed over the page. It is preferable for students to purchase these texts but they can be **hired from the Library for the year at a cost of \$20 per text**. Please note that not all texts incur a hire fee. Please refer to the listing over the page. Student's own texts can be used for highlighting and extra notes but texts hired cannot be used for this purpose.

Subject	Textbooks/Equipment <i>* Hire (Item available for hire for year.)</i>	Approximate price if purchasing.
Agriculture 2	Dynamic Agriculture Years 11-12 9780170265560 (<i>*Hire</i>)	\$86.95
Biology	Biology in Context: The Spectrum of Life 3 rd Edition 9780195566260 (<i>*Hire – no charge</i>)	\$100.00
Chemistry 4	Jacaranda Chemistry 2 9780730329107 (<i>*Hire – no charge</i>) Jacaranda Chemistry 1 9780730321484 (<i>*Hire – no charge</i>) Scientific (Non-Graphics) Calculator (<i>*Hire</i>)	\$95.00 each
Drama	Theatre Subscription	Will be provided when class begins.
English 3	Butterfly on a Pin, by Alannah Hill 2018 published by Hardie Grant	Available from Library.
General Mathematics 3	The Compendium of General Maths: Bivariate Data Trigonometry Finance Sequences and series Networks Calculator Casio Classpad FX CP400 (<i>*Hire</i>)	\$32.50 for the set from Claremont College (Can be purchased one at a time throughout year.) \$240.00
General Mathematics - Foundation 2	The Compendium of General Maths: Linear Modelling Consumer Maths Data Analysis Matrices and Networks Measurement Calculator Casio Classpad 330 (<i>*Hire</i>)	\$32.50 for the set or can be purchased singularly from Claremont College from beginning of Term 1
Health Studies	Cambridge VCE Health and Human Development Third Edition 9781108404839 (<i>*Hire</i>)	\$79.95
Mathematics Methods 3	Mathematical Methods 1 & 2 Cambridge, 9781107520134 (<i>*Hire – no charge</i>) Calculator Casio Classpad FX CP400 (<i>*Hire</i>)	\$85.00 \$240.00
Mathematics Methods 4	Mathematical Methods 3 & 4 Cambridge, 9781107567474 (<i>*Hire – no charge</i>) Calculator Casio Classpad FX CP400 (<i>*Hire</i>)	\$85.00 \$240.00
Mathematics Specialised	The Compendia for Specialised 2 nd Edition Calculus (2017) (<i>*Hire</i>) Complex Numbers (2017) (<i>*Hire</i>) Matrices & Linear Algebra (2017) (<i>*Hire</i>) Sequences & Series (2017) (<i>*Hire</i>)	Buy the set of 4 for \$120.00
Physics 4	Jacaranda Physics 2 9780730328841 (<i>*Hire – no charge</i>) Jacaranda Physics 1 9780730321484 (<i>*Hire – no charge</i>) Scientific (Non-Graphics) Calculator (<i>*Hire</i>)	\$95.00 each
Physical Sciences 3	Jacaranda Physics 1 9780730321484 (<i>*Hire – no charge</i>) Jacaranda Chemistry 1 9780730321484 (<i>*Hire – no charge</i>) Scientific (Non-Graphics) Calculator (<i>*Hire</i>)	\$95.00 each
Psychology 3	Nelson Psychology VCE Units 3 & 4 – 2 nd Edition 9780170262071 OR 3 rd Edition 9780170365628 (<i>*Hire</i>)	\$82.96
